

Literacy Trust provides partners with several options for K-3 literacy support. Our mission is to leverage what already exists in school communities - talented, passionate adults - to build capacity and create fluent, motivated, self-confident readers.

Sound Partners is a targeted, systematic, phonics-based tutoring program that provides instruction in early reading skills and can be used in kindergarten through 3rd grade.

- Improves phonemic awareness, decoding, word identification, and spelling skills through scaffolded instruction
- Incorporates application of word-reading skills through storybook reading practice
- Includes explicit lessons specifically designed for tutors, paraprofessionals, and assistants

AUDIENCE

- Ideal for K-3rd grade students who need explicit instruction in phonics and phonemic awareness
- Can be used in a 1:1 or 1:2 setting

TRAINING

- Fall: 2 days
- Winter: 1 day
- Ongoing coaching to ensure students receive the targeted, systematic, and engaging instruction they need
